IFTA Licence & Decal Instructions - IFTA 451

International Fuel Tax Agreement (IFTA)

Attached below is your Ontario IFTA Licence which allows you to operate under the terms of the International Fuel Tax Agreement (IFTA).

Failure to carry a legible copy of the licence and to display the identification decals on both sides of the cab may subject the vehicle operator to a citation and require the purchase of a trip permit.

IFTA Licence

- The licence is valid from January 1 to December 31 of each year.
- Photocopy and place a legible copy of this licence in each qualified motor vehicle in your fleet.
- Retain the original licence with your IFTA business records.

IFTA Decals

- The decals are valid from January 1 to December 31 of each year.
- Two decals are enclosed for each qualified motor vehicle.
- The exterior portion of both sides of the cab must display a current decal.
- Manufacturers, dealers and transporters (including drive-away operators) of motor vehicles to which a permanent licence plate is not attached may temporarily display IFTA decals in a visible manner.
